*with* **CHICKEN, BEEF, TURKEY, GARDENBURGER**

*Welcome*

At Jake's, we hand-prepare every order, so that all our food is served fresh and hot, not held under a heat lamp.

Jake's isn't fast food, but we respect that some of our customers are in a hurry. If so, feel free to call ahead or order online at

**WAYBACKBURGERS.COM**

We'll have your order hot and ready when you arrive.

*Thank You*
